Elkhart County Fair 4-H Animal Affidavit (1)

Rev. 6/2015

Complete one affidavit for **EACH** 4-H species check which specie: ____ Beef Steers ____ Dairy Steers _____ Goat Wethers and Dairy Goat Wethers ____ Poultry ____ Rabbit ____ Market Lambs ____ Swine Gilts and Barrows

I hereby certify that:

1. My 4-H animal has not been maintained at a professional fitter's facility and has been in my continuous ownership since the date started on the 4HOnline system; (accept for Poultry and Rabbits, which do not have such a form).
2. The exhibitor and the exhibitor's parents and/or legal guardians agree that they are the people absolutely responsible for the care and custody of their animals in preparation for and while at the Elkhart County 4-H Fair; including, but not limited to, policies regarding drug use and animal well-being.
3. I am Pork Quality Assurance Plus (PQA) Certified **(swine only).**
4. I am responsible for adhering to withdrawal times on all drugs administered to my animal; only giving my animal FDA approved drugs; and keeping my animal free of illegal drugs prior to and during the Elkhart County 4-H Fair. I also understand that listing any substance on this form that violates the Terms and Conditions does not release me from the penalties associated with the violation.
5. My submission of a 4-H entry expressly binds me to all terms and conditions contained in any and all parts of the Indiana State Fair Handbook / Premium List, to include, but not limited to, consent to drug, steroid, tissue tests, examination of my animal's carcass and insertion of a microchip or ear tag for identification as a condition of entering the Elkhart County 4-H Fair.

Complete information requested for your Elkhart County 4-H Fair livestock entries. **(One form per species.)** Then bring the completed and notarized form to the designated livestock club location by their due date.

Animal ID	Species	Has this animal received any drugs, steroids, or other medications within the past thirty (30) days?	If Yes, list the drugs, steroids, or other medications that the animal has received within the past thirty (30) days	Date(s) of treatments(s)

WHY A 4-H ANIMAL AFFIDAVIT?

As a 4-H livestock owner you are both a consumer and a producer in our food chain. Just like the milk that you drink and the vegetables that you eat, the meat that you produce must be safe and wholesome for human consumption.

As a 4-H livestock member, you may only raise and sell livestock once a year. Hence you may be unfamiliar and unaccustomed to the drug withdrawal times for some products that are fed or given to your livestock. Keeping accurate records of medications and supplements helps to keep you from contaminating our food chain. The 4-H animal affidavit supports the need to produce and sell a quality, wholesome product for the consumers that eat the meat you produce. The 4-H affidavit enables 4-H program supporters, who generously invest in 4-H members when they purchase animals through a 4-H livestock auction, to know that the animal(s) that they purchase will be safe for human consumption!

Any feed additive, antibiotic, insecticide, medicine, or other drug product that is fed, injected or used with your 4-H animal should be listed on your 4-H animal affidavit. Withdrawal times for drugs is necessary so an animal can naturally clear these substances from the meat it produces, before it is processed for the food chain. By listing this information on your affidavit, it can easily be reviewed so that all 4-H animals that are sold are ready for human consumption when they enter our food chain.

Remember. . . - I believe in the humane treatment and the responsible 4-H care of all livestock and pets.
- It is my responsibility as a 4-H member and owner to care for my animals regardless of the weather, how I feel or other things that I might like to do.

Acknowledgement of the original idea and content goes to the Kosciusko County 4-H program. Editorial changes were used for state-wide application.

Drug Withdrawal Times of frequently used drugs for BEEF and SHEEP

Product Name	Pre-Slaughter Withdrawal/Days
