
Swine Showmanship

Before the show Ring

- About 60 days before the Show start Walking your pig!
- Ease into walking your pigs start at 10 minutes and increase to 20- 30 minutes.
- Remember to work on getting there head up and keeping it up while you drive them around.

— Proper Posture & Placement in the Showring

1. Attain proper posture while walking your pig at home or in the showring!
2. Always KEEP your PIG between you and the judge!!
3. Position yourself so that you can drive you pig comfortably and with control.
4. Use your body to avoid trouble.
