

# ELKHART COUNTY 4-H SWINE CLUB

## Penning/Tack Space Request

This request is for those families/individuals that may have barrows that share a pen or barn. This request is to be used so that we can know which barrows and/or gilts that need to be penned together and which 4-H members share tack. Space is tight---however, we will be putting 2 barrows in a 4x6 pen. **We will do our best to try and accommodate, however we cannot guarantee placement. This form is due by JUNE 8.**
